My coat collar would be actually white with the dandruff that had failen from my head. My profession be in g that of a bather, I was particular about having my hair in good condition, and was also in a position to try them. I shampood my head with Cuticura Remedies that I resolved to try them. I shampood my head with Cuticura Soap twice a week and after drying my head thoroughly. I anointed parts of my scalp with Cuticura Ointment. I was pleased from the outset, and continued to keep up this treatment. To think that only three cakes of Cuticura Soap and one and one-half boxes of Cuticura Cointment rid my head of this annoying trouble, made me feel quite contented. I have now got a thick growth of hair and I am never troubled with any dandruff or itching of the scalp. There is no questios but that the Cuticura Remedies cured me. I frequently recommend them to my customers, and they think a great deal of them." (Signed) John F. Williams, 307 Norfolk Street, Dorchester, Boston, Mass., July 28, 1010.

33 Out of Every 100 School Boys are Flat-footed!

This is the recent statement of a prominent Public School Official, and doubtless an even greater proportion of arch weakness would be discovered among school girls.

Among physiologists, it is generally admitted that "flatfoot" is a frequent cause of spinal trouble, as a broken arch throws the body in strained positions.

Orthopedists agree that proper mechanical support is the only effective remedy for falling arch and "flat-foot." Leading surgeons endorse the COWARD ARCH SUPPORT SHOE as the one which is anatomically correct and helpful

This shoe, made on the Coward Orthopedic Last, allows the foot to meet the ground in a natural manner. The extension heel and arch support, steady the ankle, raise the sagging muscles, and encourage correct walk and carriage.

Wearing this Coward Shoe, holds the arch structure in its normal position and prevents and corrects "flat-foot." The Coward is the original Arch Support Shoe. The public is cautioned against imitations. The genuine is sold only at the one Coward Shoe store.
